

Getting Started Is Easy

ACE Students - Just follow the simple steps below to begin building your STEM Premier profile

Helpful items to have ready:

- School transcript
- Earned certificates
- Standardized test scores (PLTW, ACT, ASVAB, etc.)
- Resume
- Awards received
- Files to upload (projects, presentations, etc.)
- Any thing else you would like to showcase

1 Go To Special ACE Portal

- Go to stempremier.com/acementorstudents
- Click the **Start Your Profile** button

2 Join As A Student*

- Enter registration information and click **Submit**
- **IMPORTANT: Verify your email** - this will unlock your account and make your profile visible on STEM Premier!

3 Add Your ACE Affiliation

- Go to the **drop-down menu** in the top right of your screen and click **Edit Profile**
- Click **Associations** and add your **ACE Affiliation** (ex: ACE Mentor Program - Greater Charleston)

4 Complete Your Profile

- Check out the **How To Build A Great Profile** handout for helpful profile-building tips
- Building your profile takes no more than 30-45 minutes. You can save information and update your profile anytime!
- The more complete your profile, the more scholarships and resources you will match up with on STEM Premier

5 Share Your Profile (Optional)

- Select **Profile** and click **Share Profile** at the top of your profile picture
- Click **Share With Mentor/Parent**
- Input the email address of individuals who you want to be added to your account as mentors - **they will have view-only access of your profile and dashboard**

*ACE Students will receive **Premium Level** at no cost, which unlocks exclusive STEM Premier scholarships and access to cool features like Share Profile Tracking (see how many views your shared profile link receives).
