

## MENTORS for SAME STEM *Engineering & Construction Camps*

### LOOKING FOR MENTORING FOR OUR STEM CAMPS

Our STEM camps have been in operation for 18 years and have a very strong history of producing engineering and STEM college graduates. Thanks for the inspiration and dedication of our Mentors. The camps are world-class and provide an incredible opportunity to inspire our future engineers and STEM graduates. The camps are for rising 10-12TH GRADE HIGH-SCHOOL STUDENTS. Campers are formed in squads of 10-12 kids, supervised by **mentors** and compete in a series of engineering events during the course of the week.. Events are very “hands on” and emphasis practice real world activities. Campers also tour labs, project sites and operating engineering firms.

Our STEM camps provide students an opportunity to broaden their engineering knowledge and apply problem solving techniques while competing with other teams. Mentors have a tremendous impact on the process and campers as role models and sources for future decision making forming long term relationships with their campers.

### WHERE AND WHEN:

1. Air Force Camp - Air Force Academy, Colorado Springs, Colorado, - 25 June to 2 July 2018
2. Marine Corps Camp - Camp Lejeune, North Carolina, - 17-23 June 17-24, 2018
3. Army Camp - Vicksburg, Mississippi, - 10-16 June 2018
4. Air Force Camp – Scott Air Force Base - 23-28 June 2018

**BASIC APPLICATION CRITERIA:** Should be a SAME Young Member, or a young professional, with a STEM background. Experienced as a communicator, coach, guide, leader, and mentor with youth. Physically fit and available for the entire period.

**TO APPLY:** Go to <http://www.same.org/STEMCAMPS> read through the camp description for more info. Click on the **Mentor** tab for the application process. Download and complete your application package for a specific camp location; Send e-copy of your application to the Sr Mentor listed for the camp.

**DEADLINE FOR ALL APPLICATIONS:** 15 May 2018 Contact Scott Prosuch is you have Questions 719.337.0346, sprosuch@earthlink.net

**COST:** Travel and transport to the site will be covered, Meals (excellent) and lodging will be provided..
