

2017 ACE Mentor Program All Affiliates Conference **Monday, June 26 – Tuesday, June 27, 2017**

Leaders, board members, and mentors from ACE Mentor affiliates nationwide will attend 1½ days of sessions packed with practical tips and new information, including an introduction to ACE's new database. Affiliates large and small, emerging and mature, share their best practices and take home fresh ideas to improve their programs.

Sponsors will receive wide exposure with their support being recognized by the ACE Mentor Program, participating mentors, organization sponsors and industry-wide partners. Sponsors will be recognized in ACE's e-newsletter reaching 15,000 people. ACE social media posts before, during and after the conference, reaching more than 10,000 followers across three platforms (Facebook, LinkedIn and Twitter) as well as mention in the 2017 ACE Yearbook that will be published in the Aug 22-29 issue of *Engineering News-Record* with a circulation of almost 200,000 readers.
