

It's Time To Get Connected

STEM Premier® lets ACE Students and Alumni showcase themselves and get seen by colleges and companies looking for the next generation of ACE Mentor Program talent

STEM Premier is a platform where ACE students, from high school through college, can build virtual portfolios* displaying their academic and technical STEM skills, match up with scholarship opportunities, receive guidance, and **connect directly with colleges, companies, and organizations.**

Best Part? It's **free** to all ACE Students & Alumni.

Benefits To ACE Students

Connectivity

ACE Students can be messaged directly by colleges, companies and organizations within STEM Premier.

Guidance

We offer recommendations and resources to foster career growth and help the student optimize their individualized profile.

Analysis

STEM Premier® evaluates individual achievements and shares comparison data on state and national levels.

Recognition

Students can be rated & ranked**, highlight ACE accomplishments, and request the official **ACE Student Digital Badge**.

Organization

ACE Students build virtual portfolios which grow and strengthen as they progress through their academic careers towards next steps.

Scholarships

Students can get matched up with hundreds of millions in financial aid through scholarship matching engine **Red Kite**.

Go to stempremier.com/acementorstudents to join now.

**Only high school students have the ability to be rated & ranked on STEM Premier®.
