

## OVERVIEW

**ACE Mentor Program of America National Sponsors help to ensure that the ACE Mentor Program can offer life-changing career programs to students at no cost.**

Through funding the national program, sponsors help to:

- ✓ Raise the visibility of the ACE Mentor program across the country
- ✓ Maintain and improve the infrastructure for 70+ locations nationwide
- ✓ Assist the affiliates to increase the number of students involved in the program.
- ✓ Increase the innovative programs and best practices for our mentor teams

---

# Thank You!

## SPONSORS

On behalf of the ACE Mentor Program of America, we would like to take this opportunity to thank you for your contribution to our program! Generous donations like yours directly support our mission to encourage high school students to pursue careers in Architecture, Engineering, and Construction through mentoring and professional exposure.

**“ACE was a life-changing experience for me being around so many professionals in my desired field of construction management.”**

- Student, Washington, DC

**“I gained real world experience of what it's like to be an architect and work alongside people in other professions. Being in ACE also gave me valuable pieces for my portfolio.”**

- 2016 ACE alumna, Cornell University

**“I've learned of the genuine interest of the younger generation in engineering and have been inspired to keep spreading the word that engineering is fruitful and worthwhile.”**

- Civil Engineer, New York City
