GSA Public Buildings Service Commissioner Robert A. Peck served as the Keynote Speaker, commending the students on their outstanding academic achievement and dedication to succeed in the Architecture, Engineering, Construction (A/E/C) industry. This year, the Breakfast drew nearly three hundred guests; raised an additional \$8000 for scholarships and increased scholarship awards from twelve (12) students to fourteen (14). To date, ACE DC has awarded \$330,000 in scholarships to 98 promising graduates.

About the ACE Mentor Program – Washington, DC

ACE is an acronym for architecture, construction, and engineering. It is a unique partnership among industry professionals, college and university representatives and professional organizations throughout the Greater Washington Metropolitan Area. The ACE Mentor Program is a nonprofit organization whose mission is to enlighten and increase the awareness of high school students to career opportunities in architecture, construction and engineering – as well as other related areas of the design and construction industry – through mentoring and scholarship awards. The program makes a special attempt to reach students of all demographics; and those currently underrepresented in the industry.
