Clemson University / Clemson SC / BS – Civil Engineering '98

Licenses and Certifications:

Registered Professional Engineer – SC, GA, NC
LEED AP

Professional Affiliations:

American Society of Civil Engineers

Who or what inspired you to join ACE as a Mentor?

When entering Clemson more than 20 years ago, I really didn't understand the engineering disciplines and the roles each involved to make a project a reality. Helping young people learn more about how a project is pulled together by many different professionals can benefit students to help choose a career path and be prepared for what lies ahead.
