

SAME STEM Engineering & Construction Camps

Attention: Rising 10-12th grade high-school student and are interest in a STEM careers. **Are you on an engineering track in HS? Do you want to work as part of a real engineering or construction project team this summer? These STEM camps will provide students an opportunity to broaden their engineering knowledge and apply problem solving techniques while competing among their teams.** These world-class camps are all design to focus on hands-on activities, supervised and executed by engineers. SAME has been conducting these world-class camps for over 16 years and has an excellent record “building our nation’s future engineers”.

Where and When:

1. Air Force Camp - Air Force Academy, Colorado Springs, Colorado, June 26-July 2, 2018
2. Marine Corps Camp - Camp Lejeune, North Carolina, June 17-23, 2018
3. Army Camp - Vicksburg, Mississippi, June 10-16, 2018
4. Exploring Engineering Academy - Georgia Tech, Atlanta, GA, June 3-8, 2018
5. Air Force Camp - Scott Air Force Base, IL, July 23-28, 2018

Basic Application Criteria: At least 15 years of age, would like a minimum 3.2 GPA, U.S. Citizen, on track to attend college for a STEM degree.

To apply: (AF, Marine Corps, Army): Go to <http://www.same.org/STEMCAMP> read through the camp description and follow the application process. Select a sponsoring Post; complete your application package for a specific camp location(s); This is a competitive process, with campers recruited from the US and overseas.

Deadline for all applications: Application due to Post by April 1, 2018

Cost: The cost of the camp is \$580, the Army camp is less. No payment is required until after final selection. Upon selection, contact your sponsoring post POC. For most SAME Posts, students selected for a camp will receive a scholarship to pay for ½ of their tuition fee and the post may cover the airfare.

Finding a Post POC/ Additional info: <http://www.same.org/STEM-Camps/Camps-POC-list> or Scott Prosuch sprosuch@earthlink.net 719.337.0346
