

**ACE MENTOR PROGRAM**  
ARCHITECTURE • CONSTRUCTION • ENGINEERING

## ACE Mentor Bio

### **Olivia Frick**

Charles Perry Partners, Inc (CPPI)  
Business Development Manager

#### **Education:**

Georgia Institute of Technology, Atlanta, GA, B.S. in Building Construction

**Licenses and Certifications:** Certified General Contractor

**How long have you been a mentor?** This will be my third year at Lee High School in Duval County.

**Who or what has inspired you to join ACE as a mentor?** I have met so many people who have enjoyed the program and continue to volunteer their time year after year.

**What have you found to be most rewarding about being a mentor?** The students in the program are excited about ACE and applying the things they know to the project at hand. Helping them think through their ideas and expand on their knowledge has been fun!

**What is the most surprising thing(s) you've learned from being a mentor?** I was a bit tentative at first being that I did not have experience with the program but the students were welcoming and challenged me as much as I was there to challenge them. Watching them grow over the 5-month program has been nothing short of astounding.
