

ACE Mentor Program of America, Inc.

Core Values

Excellence - We strive to engage students by providing high-quality and creative content and strategies, basing or insights on knowledge and experience.

Integrity - We deal honestly and fairly with one another, we work hard to produce and deliver quality program and we use the financial support of our donors efficiently.

Inclusion – We value, nurture and practice respect for the talents, beliefs, backgrounds and ways of living of all our participants.

Diversity – We respect diversity of race, gender, sexual orientation, thought, interests and ideas.

Collaboration - We believe that through our commitment and working together, we will obtain greater results and make the best use of our resources.
