## Scholarship Information

### What to Expect on the Application:

- » Contact Information
- » Educational Background
- » Upload Transcript
- » College or Vocational Transcripts
- » Essay Questions
- » Upload Recommendation Letters (2)

### Essay Questions:

- 1 Describe the impact the design and construction industries have on our society. Why are these professions so important?
- 2 Which segment of the industry (architecture, engineering, construction, or related field) do you wish to enter and why? Were you planning a career in this field before starting the ACE program or did ACE help steer you in that direction? If so, how/why? Also, please tell us your top three choices for your future education (*what schools*).
- 3 Describe your experience with your ACE mentors? How will this experience help you as you transition from high school? What effect did this experience have on your college choice, or choice of study? What was the most valuable lesson you learned from your time with the ACE Mentor program?
