

**ACE MENTOR PROGRAM**  
ARCHITECTURE • CONSTRUCTION • ENGINEERING

# BECOME AN ACE MENTOR

## READY TO EMPOWER THE NEXT GENERATION OF AEC PROFESSIONALS?

Are you a professional in the AEC field? If so, ACE is your chance to share your story, connect with like minded professionals and shape the lives of students interested in careers in Architecture, Construction and Engineering! **There is no substitute for experience...and we need you to share yours!**

### WHAT YOU GIVE...

- Submit application, complete background check and training.
- Participate in bi-monthly sessions with High School students for 2-3 hours.
- Have fun guiding students in hands on learning, construction site tours and a mock design presentation.

### WHAT YOU GET...

- **92%** of ACE mentors benefited professionally, including extending their professional network, improved leadership skills, and teamwork abilities.
- **98%** of our mentors received a personal benefit, such as a personal sense of fulfillment and a satisfaction in helping young people.

## EXPERIENCE THE IMPACT OF MENTORING THIS YEAR!

**“Working with students fills my bucket. The students have so much passion and excitement for the industry that it is exciting to watch and be a part of.” - 2024 ACE Mentor Survey Response**
