

ACE MENTOR PROGRAM

ARCHITECTURE • CONSTRUCTION • ENGINEERING

GREATER AKRON-CANTON

- ACE is a mentor program consisting of 15 sessions running from October to April.
- Our sessions meet after school for two hours approximately every other week on Wednesdays or Thursdays depending on location.
- Schools we serve are Akron Early College, McKinley High School, Ellet CLC, Firestone CLC, Garfield CLC, and Barberton High School.
- It is through the generous contributions from our community leaders that we can provide this service to students.

STUDENTS

- Over 350 students from high schools in the Akron-Canton area have been a part of the ACE Mentor Program since its inception in 2017
- We have 19 alumni pursuing careers in the A/E/C industry currently enrolled in local colleges and universities

SCHOOL PROJECTS

- This year the RFP (request for proposal) is to design your own restaurant
- The RFP projects are presented at our year-end banquet with awards

SCHOLARSHIPS

- ACE Akron-Canton has awarded over \$130,000 in scholarships since our inception
- We also award Alumni Scholarships to give continued support to our students

CONTACT

- Contact Academy Coach Tracey Bowman at Ellet CLC for more information
